*** Devote Yourself to Prayer, Study, Assembling, Giving, and Serving!
He is Worthy***

"They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer."

Acts 2:42

What's Being Preached

I trust you learned much from our series on "The Baptists Distinctives" I know I did. It was a first for me personally, and I can see how "Topical Preachers" enjoy the liberty they take in sermon preparation. My intent, at some point this month, is to begin a journey through the book of Acts. It will be an EXCITING journey for sure!

Our Final Quarter of FY21

We ask for your prayers, patience, and participation during this season of administration as we prepare for FY22. We are setting a schedule for Treasury Audits, Budget Submissions, Ministry Nominations, and Ministry re-starts such as Prayer Breakfast, Sunday School, and the supporting ministries such as Nursery.

***Men's & Women's Fellowship – With an Eye on our Mission! ***

Church, we are starting our Prayer Breakfast again.... BUT THIS TIME! We intend to have the same fellowship for the ladies. My thoughts are these: The 3rd Saturday of the Month, have a time of Food, Prayer, and Devotion to the Word, followed by some FUN. Every other month we will rotate (July – Men, August – Women, and so forth). Pastor Bobby will be the Ministry Leader for the Men (See his remarks on this), and Ms. Laura for the Women. The Men will be discussing what types of fellowship activities they would like to incorporate into their meetings during their first meeting in July, and the Women will do

the same in August. With an eye on our Mission, I trust you will support this fellowship by attending (Acts 2:42 above) and inviting others to participate. Everyone needs food, fellowship, and fun. Let us show others how God's people do it!

Prayer & Practice

1. Pray for your Pastors and the Spiritual health of this Church.
2. Continue to pray God would give YOU a deeper desire to Pray, Study, Assemble, Give, and Serve.
3. Invite/bring someone to come and hear the Truth of God's Word. We have had 5 visitors in the last 2 months, good job! Let's make it a point to invite even more people.
4. Share your faith with 1 person – Ask God to show you who, and to empower you to do so.

+Christian Symbol+

OIL—In the Old Testament, oil symbolized consecration to God. The temple altar and king's heads were anointed with oil to set them apart as holy. In the New Testament, oil often represented the Holy Spirit. Jesus and his followers were anointed for their ministries (see Luke 4:18 and Acts 10:38).

Greetings Church Family

Summer is here, and I'm getting excited about all of our ministries starting back up, like Vacation Bible School. This year's theme is called Mystery Island, "Tracking Down the One True God." The program is one through (AIG) Answers in Genesis. It will be discussing questions like these: Is there just one God? Who is God? What is God like? Does God love me? Can I know God?

All of these questions are what our kids face every day. Mystery Island is designed to help the kids answer these questions and help with any confusion they may have regarding the one true God using scripture. It connects the Bible to the real world and gives kids a better understanding of our Creator and the salvation He offers us through Jesus Christ. This year Sarah has been busy planning the events, crafts, games, and food for this event on Saturday, July 24, from 3pm to 6pm. I asked Sarah if there was anything she was needing. Her reply was she needs pop-up tents/covers and asked that if you have one to put your name on it and the cover or case, it comes in and brings it the day of VBS. I would ask that you please be in prayer for this VBS and all who attend, including the

parents. I would ask that if you would like to volunteer your time to please let Sarah know, she would be glad to let you help and serve the Lord in this capacity.

Also, I'm excited about our men's fellowship breakfast starting back up. This ministry is where the men of our church will come together, study God's word, share in the knowledge and experiences they have had through life, offering Biblical wisdom, guidance, and encouragement to other men who attend. Many men have already stepped up to volunteer and participate. Still, please let me know if you would like to volunteer in this ministry. Also, please share this event with other men and let them know about this excellent opportunity to study God's word and fellowship with the men of New Hope Baptist Church.

I would like to encourage you to come out on Wednesday nights to our prayer meetings and bring a friend. We make known our praises and prayer requests and listen to God's word being preached during this time. Did you know prayer is one of the most vital parts of the Christian life? However, it can be challenging to find the motivation sometimes to pray, whether due to stress, time constraints, or just being overwhelmed. Despite the value of prayer in the Christian life, it can quickly become the first thing we discard when it's the one thing we need the most.

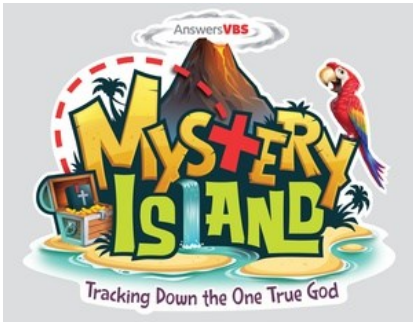

2 Chronicles 7:14 "and My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin and will heal their land."

I'm still attending online classes through Liberty University, which are currently going well, and I'm learning so much. I also want you to know I'm praying for you and your families; I care for you and love you. If there's anything I can do to help you, let me know.

I look forward to the day that God puts me in a position as your Senior Pastor at New Hope Baptist Church.

Praise the Lord, He is Worthy,
Pastor Bobby Frisbee

We are in need of nursery workers. If you feel you can help in this area please see Debbie Chadwick.

In God's Hands

In *Keep a Quiet Heart*, Christian missionary Elisabeth Elliot ponders the faith implications of fretting about days to come. "Today is mine; tomorrow is none of my business," she writes. "If I peer anxiously into the fog of the future, I will strain my spiritual eyes so that I will not see clearly what is required of me now."

And what's the alternative? Instead of dwelling on times to come, which we can't change anyway, Elliot recommends: "Leave it all in the hands that were wounded for you."
